A week in the life of Year 7

Dear Parent/Guardians,

I hope you and your families are well.

This week has been a very strong and positive week for year 7. They have completed their NGR Tests in IST and took part in the Welcome Service. We thank everyone that was able to attend, and we hope you had a pleasant time.

Again, lessons have a calm and engaging atmosphere with pupils really excelling in the work they had begun at the start of the year.

All pupils should now be able to log in to their Chromebook and access all homework platforms. Going forward, homework will be displayed on Satchel One, with instructions on where they need to complete the homework and by when. All parents and guardians should have received their own login to Satchel One, where you are able to track and monitor homework being set for your child. If your child is experiencing any issues, please contact their tutor as soon as possible.

We thank you all for your support in getting your child into school. It is important that all children attend lessons to ensure they get the best education possible! Year 7s attendance is at 97.3%, the highest in the school!

A huge shoutout out to 7L again, who had the best attendance this week at 99.3%! I look forward to next week to see which tutor will try and knock them off the leaderboard!

A reminder that Ms Redfern's PE class will be swimming on Monday, pupils should come to school at normal time with their swimming kit including a towel, swimming goggles, and a cap. On Friday, Mr Leport's class will be swimming also.

PE extra-curricular clubs have begun, please take some time to go over these with your child. Year 7 football is on a Monday after school, it is your child's responsibility to inform you if they are going to attend a club.

Please do not hesitate to contact us if you would like our support or assistance.

Kind Regards,

Miss Johnson
Head of Year 7

The Bacon's Pupil Charter

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer.

The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view here.

The points for the Year 7 Charter are set out below. Year 8 and 9's Charter has also been made available so that students can see the opportunities available to them as they go through Key Stage 3.
