Dear parent/ carers,

Re- Rewards Trip – Flip Out, Canary Wharf

The rewards policy at Bacon's College provides an opportunity to acknowledge the achievements of students in their studies and extracurricular activities. Throughout the academic year student successes are acknowledged and celebrated in several different forms. When students reach certain positive point thresholds, they have been awarded with bronze, silver, and gold awards.

Another element of the rewards policy has seen students compete against each other over the course of the academic year to gain a position within the top seventy students in their respective year groups and a place on the end of year rewards trip. Points have been awarded for a range of accomplishments including, attendance, attitude to learning, acts of kindness, representing the college in a variety of activities and achieving Bacon's Charter Points.

This year, your child has been selected to attend the Top 70 Rewards Trip. The students will be attending **Flip Out, Canary Wharf** on **Wednesday 15th July**.
