A week in the life of Year 10

Dear Parents/Carers,

This week, Year 10 students at Bacon's College have demonstrated commendable progress. Attendance was strong across the year group, showing their commitment to learning. Engagement during lessons has been excellent, with students actively participating and contributing thoughtful ideas. Additionally, many have shown dedication to their studies by consistently completing homework on time and to a high standard. Well done, Year 10—keep up the great work!

Several Year 10 students at Bacon's College have taken the initiative to enroll in intervention programs like **"Street League"** and **"Girls Believe"** to further enhance their school experience. These programs are designed to provide targeted support, build confidence, and develop valuable life skills.

- **Street League** helps students through sport and education, using activities to improve teamwork, communication, and resilience while fostering a sense of community.
- **Girls Believe** empowers female students by focusing on self-confidence, leadership skills, and personal growth in both academic and social settings.

By participating in these initiatives, students are not only expanding their horizons but also demonstrating a commitment to their personal and educational development. These opportunities will support them in achieving success both in school and beyond

Kind Regards,
Mr B Tubb

Homework Club

Homework Club is available to all students during the Library's opening hours listed below. We encourage students to attend Homework Club or speak with their teachers if they have any questions before their homework deadlines. Heads of Year will be monitoring students' homework completion rates. If a student receives 10 or more homework detentions within a half term, they will be expected to attend Compulsory Homework Club to ensure they receive the support needed to complete their assignments.

Thank you for your continued support in helping your child stay on top of their homework. Please check the homework set by teachers on Show My Homework and feel free to contact subject teacher should you need any more information.

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). The points for the Year 10 Charter are set out below. The Year 11 Charter has also been made available so that students can see the opportunities available to them as they progress through KS4.
