5<sup>th</sup> December 2024

Dear Parent / Carer,

### GCSE Mathematics Revision Weekend – February 2025

We are delighted to invite your child to the GCSE Mathematics Residential at PGL Marchant Hill, in Hindhead Surrey for the weekend of **Friday 28<sup>th</sup> February – Sunday 2<sup>nd</sup> March 2025**.

This is an exciting opportunity for selected students to participate in engaging and targeted lessons to be facilitated by their mathematics teachers. Through intensive revision sessions, pupils will be able to consolidate their understanding of topics already covered in school and learn some new key topics/content that carry a significant number of marks in the final summer exams.

The educational trip has been heavily subsidised by the school, and we are requesting a contribution of **£20** per student. This payment will cover all transport, accommodation, food and revision materials for each student over the weekend.

Our coach will leave school at 1.00pm on Friday 28<sup>th</sup> February and we will return to the school's site on Sunday afternoon by 4.00pm subject to traffic. We have selected for slightly more pupils than there are spaces for, so places will be granted on a first come first served basis. Please ensure your child's place on the residential is booked and paid for quickly.

To increase the productivity and attentiveness of all pupils and for safety reasons during physical activities, we will store students' phones away at specific intervals throughout the weekend. So please be aware that your child may not be contactable at all times. They will be given opportunities to use their phones each day at particular intervals and if there is an emergency, you can contact a member of staff on the following email address: [s.moghal@baconscollege.co.uk](mailto:s.moghal@baconscollege.co.uk)

We welcome your support. In order for your child to attend this trip, you are required to complete the attached forms (**Parental Consent & Medical Form and Behaviour Agreement**) and make full payment of **£20** by **Monday 13<sup>th</sup> January 2025**. If the forms and/or payment are incomplete, we will not be able to take your child on the residential.

Please complete the payment via ParentPay under **Year 11 Mathematics Residential**.

We have attached a **packing list** of all necessary items for your reference. For any further information regarding the PGL centre, please see the PGL website: <https://www.pgl.co.uk/en-gb/school-trips/secondary-schools/centres/marchants-hill>  
We hope that your child can attend, and we look forward to a rewarding trip.

Miss S. Moghal
