Friday 22nd May 2026

Dear Parents/Carers,

As we approach the end of the academic year, I am writing to inform you about the upcoming End of Year (EOY) assessments for students in Year 12. These assessments are an important opportunity for students to demonstrate their learning and progress across the year, and will provide valuable information to help them make progress over the summer.

Exams will cover the weeks of 8th- 19th June. Please find attached the examination timetable.

Lessons will continue as normal during these times and students will be expected to be in lessons unless they have an exam at the same time as their lesson. Students will be expected to attend school at their normal times during this period and may occasionally need to attend at a time they would not normally depending on when their exams have been scheduled.

Your Child's teachers will have provided them with information on what will be in the assessment and they should ensure they understand the structure and content of the assessments they have in each subject.

Expectations During the Assessment Period

Throughout the assessment period, students are expected to attend school in correct dress at their normal scheduled times. The school's **usual behaviour policy will remain in place**, and we will continue to expect the same high standards of conduct that are expected during the regular school day.

Students should also be aware that there may be periods during the day when they will be revising independently and should make sure to bring sufficient work with them.

Finally, it is essential that **students come fully equipped** for each examination. They should ensure they have all necessary equipment, including pens, pencils, rulers and calculators where required. Spare equipment will not be provided, so preparation in advance is crucial.

We would greatly appreciate your support in encouraging your child to prepare thoroughly, organise their revision time effectively and ensure they are well rested each day.

If you have any questions or require any further information, please do not hesitate to contact the school. As always, thank you for your continued support.

Yours Sincerely,

Ms S Moghal - Assistant Principal
