A reminder of the next steps on sixth form programme. The next part of our Sixth Form program for all our year 11 students this year is our taster day that takes place early next half term on Tuesday 12th November. This includes students who did not attend our open evening. Students will be asked to pick up to 5 subjects to try at the taster day and should be considering which subjects they will choose now. We will be asking students to choose their subjects on the w.c. 21st October so they have a little bit of time to think about. They will then have a 50-minute lesson in each subject where teachers will give them some more information about the subject and they will have an opportunity to try out a bit of A-level learning. Students have a form to complete that has been emailed by Mr Foley, in this form, students will. This must be completed by Wednesday 23rd October.

On Monday 21st October, students will have their rewards assembly where some of the hard work from this half term will be recognised. A huge well done to Year 11 who have hit the ground running so far this year, we are looking forward to seeing the progress made when students sit their mock exams at the start of next half term.

Kind regards,

Miss Hickman

Weekly revision tip

Four ways to revise away from your desk:

- Surround yourself with information - Your entire home can aid your study in the run-up to an exam. Invest in some sticky notes and pop them up in the place you visit most throughout the day.
- Exercise - Revision time can be stressful and one proven way of tackling those nerves is to exercise. It's important to take breaks anyway, but incorporating exercise into that time out can reduce those stress levels, even if you fit one 20-minute session into your day.
- Video call your friends - Get a few of your friends together on a video call to test each other on those challenging subjects can be a productive way of taking a break.
- Take your study outside If it's a nice day, get yourself out there. Study notes are that much more inviting when read in the sunshine. You're also boosting your vitamin D intake, which is good for your health.

Reminders

- Students are currently having 1:1 careers meetings with Ms Watson, your child should know when this, please do ask and remind them. These will be ongoing through the next few months.
- Please note that eyelashes, false nails and more than one stud/earring per ear is against Bacon's uniform policy.
- Chromebooks are an essential part of the equipment at Bacon's, please remind your child to bring these in every day. If there are any issues with chromebooks, please make sure your child takes them to the school office.
