### **A week in the life of Year 7**

Dear parents/guardians,

I hope you and your family are all doing well.

The end of Half term 5 has drawn to a close, and we celebrated all the students' achievements over the past 6 weeks in rewards assembly, this included the UKMT Junior Maths challenge that some students took part in, which is a national challenge that takes part all over the country – well done to those students.

A reminder that the end of year exams are fast approaching and will be taking place in the week beginning 15<sup>th</sup> June. Students will be assessed across all subjects and now is a great time to start some revision in preparation for these exams.

### **Pupil charter**

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). The points for the Year 7 Charter are set out below. Year 8 and 9's Charter has also been made available so that students can see the opportunities available to them as they go through Key Stage 3.
