## A week in the life of Year 7

Dear Parents, Guardians and Students,

I hope you all had a restful and enjoyable break.

We're thrilled to welcome everyone back for the second half of the autumn term, an important period as we approach the end of the first term. This half term is a pivotal time for our students, with mock exams beginning in December. Our priority is to ensure that each student feels well-prepared and supported to achieve their best in these upcoming assessments.

To aid in their preparation, we encourage all students to engage with their teachers over the next few weeks. These conversations will be invaluable in understanding what areas they should focus on, which resources will be most beneficial, and how to structure their study time effectively. Our teachers are here to guide and support, so please don't hesitate to reach out if you have questions or need assistance in planning revision.

Alongside exam preparations, we have several exciting events and initiatives planned for the term, including Anti-Bullying Week, which will help to promote kindness, inclusivity, and respect within our school community. Additionally, our Advent Appeal will begin soon, offering students the chance to give back during this season of giving.

Thank you for your continued support, and let's make this half term a successful and productive one!

Kind Regards,

Mrs Bennett

Assistant Principal – Head of Key Stage 3

- Mid-Year Exams**

Year 7-10 mid-year assessments and exams will be from 16<sup>th</sup> December 2024 – 17<sup>th</sup> January 2025. Teachers are already focusing on preparing students for their subject assessments. A formal exam timetable for Maths and English only will be sent to parents/guardians in due course.

- Homework**

Homework Club is available to all students during the Library's opening hours listed below. We encourage students to attend Homework Club or speak with their teachers if they have any questions before their homework deadlines. Heads of Year will be monitoring students' homework completion rates. If a student receives 10 or more homework detentions within a half term, they will be expected to attend Compulsory Homework Club to ensure they receive the support needed to complete their assignments.

Thank you for your continued support in helping your child stay on top of their homework.

### Pupil charter

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). The points for the Year 7 Charter are set out below. Year 8 and 9's Charter has also been made available so that students can see the opportunities available to them as they go through Key Stage 3.
