A week in the life of Year 10

We hope this newsletter finds you well. Here's an update on what's happening with Year 10 at Bacon's College as we continue to support students through this important stage of their education.

Thank You for Attending Parents' Evening

We would like to extend our gratitude to all parents and carers who attended **Parents' Evening** last week. It was fantastic to see so many of you engaging with teachers and discussing your child's progress. Your involvement plays a key role in their success, and we appreciate your continued support.

Work Experience – Summer 2025

As part of their development, Year 10 students are required to undertake a **work experience placement** this summer. We encourage you to support your child in finding a suitable placement that aligns with their interests and aspirations. Work experience provides invaluable insights into the working world, develops essential skills, and helps prepare them for future careers. If you need guidance, please contact the school for assistance.

Duke of Edinburgh (DofE) Progress

Our **DofE students** have been working incredibly hard towards their Bronze Award. They've made excellent progress in completing the required sections and are excitedly preparing for their upcoming expedition. We are proud of their commitment and resilience as they tackle this challenge.

Consent Assembly – Next Week

Next week, an **external organisation** will be delivering a **Consent Assembly** for Year 10 students. This important session will provide education on healthy relationships, respect, and personal boundaries, supporting their social and emotional development.

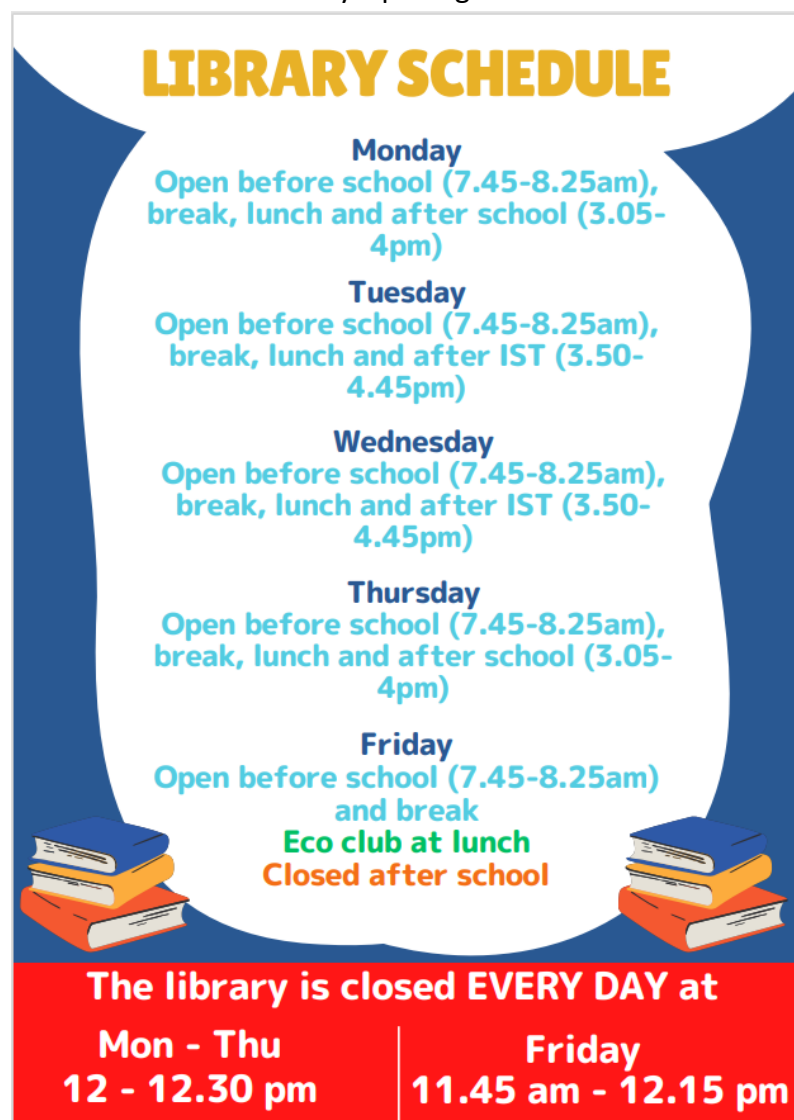

Jack Petchey Speak Out Challenge

We are thrilled to announce that several Year 10 students have been participating in the **Jack Petchey Speak Out Challenge**. Next week, they will have the opportunity to present their speeches to the entire year group. This is an excellent chance for them to build confidence, develop public speaking skills, and inspire their peers.

Kind regards,
The Year 10 Team
