A week in the life of Year 10

Dear Parents and Carers,

We hope this newsletter finds you well. We are incredibly proud of our Year 10 students for their outstanding contributions and achievements over this half term!.

PE Leadership at SEND Sports Event

On Monday, **Sonny, Kayla, Aydaan, Arya, and Tilly** demonstrated fantastic leadership skills while supporting the **PE Network** in delivering a **SEND sports event** with over 120 participants. Their enthusiasm, patience, and encouragement helped make the event a huge success, and they were a credit to Bacon's College.

Jack Petchey Speak Out Challenge

On Wednesday, **Nia, Kayla, Arianna, Mark, and Sophia** showcased their **confidence and bravery** by delivering inspiring speeches to their year group as part of the **Jack Petchey Speak Out Challenge**. Their ability to speak with passion and clarity was truly impressive, and we are immensely proud of their achievement.

Visit to Imperial College London

A number of our students had the opportunity to visit **Imperial College London**, where they experienced a **purposeful and inspiring** day exploring university life and future career opportunities. They engaged brilliantly with the sessions and left feeling motivated about their next steps in education.

Girls Believe Programme & Street League

Students involved in the **Girls Believe Programme** and **Street League** continue to **represent Bacon's College values** to external leaders with dedication and enthusiasm. Their commitment to these initiatives is commendable, and they are excellent role models for their peers.

Homework Club & Academic Support

From next week, **Homework Club** will be available for all students who wish to receive additional support with their studies. However, students who have accumulated **over 10 missed homework submissions** will be required to attend **every day until half term**. This measure is in place to ensure all Year 10s stay on track and strive for **academic excellence**.

Thank you for your ongoing support. We look forward to seeing our Year 10 students continue to work hard and represent the college in such a positive manner.

Best regards,

The Year 10 Team
