

Friday 23<sup>rd</sup> June 2023

Dear parents and guardians,

The college will be hosting a day of cultural celebration next **Friday 30<sup>th</sup> June**. All students are invited to come into school dressed in a form of traditional or cultural dress that they feel represent their heritage or culture.

The cultural dress could include the following:

- Religious dress.
- Traditional outfits.
- A sport team top from their home country or their local team.
- Wear clothes in the colours of their country's flag.
- Wearing something that represents their culture
- A piece of clothing with your country's flag on it

In return students must bring in a 50p donation which will be given to the Windrush foundation to celebrate 75 years since the event.

We asked that students still dress appropriately for school; no crop tops, cycling shorts (unless under dresses), no offensive slogans. If anyone is wearing anything inappropriate, they will be asked to go home immediately to change. Students who usually have PE will still need to bring in their PE kit. If you have any questions or concerns, please do not hesitate to email Ms Ley at [p.ley@baconcollege.co.uk](mailto:p.ley@baconcollege.co.uk)

Many thanks

*P. Ley*
