### A week in the life of year 10

Dear Parents and Guardians,

I hope this letter finds you well. As we approach the end of this term, I wanted to take a moment to congratulate our students on their progress and dedication. Our pupils have demonstrated exceptional effort throughout the term, maintaining high standards in their academic pursuits and personal conduct. Their hard work and commitment to excellence have been truly commendable.

We are continuing to celebrate Black History Month, with students participating in various educational activities that honour the contributions and achievements of Black individuals throughout history.

Additionally, on Thursday our students attended informative workshops and a thought-provoking play addressing important PSHE topics such as self-harm and substance misuse. These experiences have fostered valuable discussions and increased awareness among our student body.

With only four days remaining in the term, I urge you to encourage your children to maintain their high standards of work, behaviour, and attendance. These final days are crucial for wrapping up projects and solidifying the term's learning.

Thank you for your continued support in your child's education. Together, we can ensure they finish the term on a strong note.

Best regards,

Ms Roy

Deputy Head of Year 10
