7th July 2026

Dear Parent/Carer,

I am delighted to offer your child an opportunity to attend a Geography trip to Iceland. The trip will run from **8-11th February 2027**. This trip is designed to help students enhance their geography knowledge, achieve personal excellence and to develop their cultural capital. I believe it will be a truly enriching experience for every student involved.

Due to subsidy provided by the school, the total cost for **students who are eligible for free school meals (FSM) is £800**, for **students who are not eligible for free school meals the cost is £900**. This cost **includes all flights, transfers in Iceland, accommodation, travel in Iceland, all activities, breakfast and dinner, and travel insurance**. The only additional cost will be the students' meals at the UK airport (students are advised to arrive with a packed lunch), train tickets to and from the airport and students purchasing lunch in Iceland. Students can additionally bring a small sum of pocket money in case they would like to purchase souvenirs.

The activities included in Iceland are below:

- Golden Circle Day
- South Shore Day
- Visit to Reykjavik
- 2 x Full Day National Guide
- Visit to Blue Lagoon including free drink and clay face masks

To secure a place on this trip, a £100 deposit must be paid on the Arbor App. There are only **30 places available** for this trip, therefore, places are expected to go extremely quickly. Deposits will go live on Arbor on **Friday 10th July at 9am and will be offered on a first come, first served basis**.

In order for your child to qualify for the trip they must have high attendance and high standards of behaviour around school and within lessons. Failure to reach the criteria will result in your child being refused permission for the trip and the deposit will be returned. In the event of oversubscription, a waiting list of 4 students will be created and communicated with parents/guardians. We also have the right to issue refunds if a student does not meet high expectations of behaviour in the months leading up to the trip.
