

**After school
session Monday
9th December
(1hour)**

**Year 9 market
Wednesday 11th
December.**

Students of 9N will be trying to raise money for local charities this advent by decorating shortbread and cookies and selling them to students at Bacons Christmas Market on Wednesday 11th December.

Students are invited to attend a session run after school for 1 hour on Monday 9th December, where they will decorate biscuits and package shop bought biscuits in Christmas bags.

We are attempting to crowd fund this project, with help from family and friends, so that we can donate the maximum amount possible to those in need.

If you can spare £1-£2 to support students in crowd funding materials/ biscuits it would be much appreciated. This would give 9N a fighting chance of being the tutor group who raises the most money ... for which there is a prize! 😊

(Pre order yours below...)

Pre-order your own!

You can also **pre-order a Christmas biscuit selection at the cost of £2, or a decorated cookie or shortbread for 80p.** This would help students to know how many biscuits they need to decorate/ packets to prepare before the market.

Please let students know your preferred pre-order and amount to pass on or email me directly as soon as you can at z.fraser@baconscollege.co.uk

Christmas munchies goodie pack - £2.00

Christmas decorated cookies and shortbread - 80p
