

Dear Parents, Carers,

I'm Coach Karina, and I'm sending you this letter because your child would like to play Volleyball with Greenhouse Sports at Bacon's College.

To participate in the volleyball club is free of charge, but to attend sessions with us, everyone must register. Please therefore go to the link below to complete the Greenhouse Sports registration form as soon as you get this letter.

Greenhouse Sports registers participants for the following reasons:

- To ensure that we have the correct personal and emergency contact details
- To ensure that we are aware of any medical conditions and can therefore act accordingly
- To ensure we have parental or guardian consent for our young people to attend the programme and be registered on our database
- To monitor and evaluate the work we do with our young people

To find out more about Greenhouse Sports, and the work we do in schools and communities across London, visit our website. You can also call or email us using the details below.
