A week in the life of Year 7

Dear parents/guardians,

A final newsletter for Half Term One. A huge congratulations to all our wonderful year 7s for their fantastic start to their time at Bacon's college.

We have had many successes across subjects, sports, and extracurricular activities, all of which have been a delight to witness.

I want to take this opportunity to thank you for echoing our high standards and expectations to ensure that all pupils are exhorted to achieve their very best, academically and personally.

We hope that all pupils and families have a restful half term holiday ready for the next half term ahead.

Kind regards,

Mr McGarry

Pupil charter
The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website here and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view here.
