Parent Power

Parent Power brings together parents and carers who would like to become experts in Higher Education. We meet in person every 6 weeks, developing skills in community organising as well as receiving advice and guidance on accessing higher education from a range of experts. Parent Power empowers parents to support their children at school and beyond.

Please tick the box if you would like to be added to the Parent Power mailing list

Image Consent

During the King's Scholars scheme the staff at King's College London, and/or their agents, will be documenting some of the activities with photos and video. These are used primarily for evaluation purposes and to distribute to participants as keepsakes from the day, although some may be used for promotional purposes. We will always ask permission from the participants when taking photos.

Images/video footage taken on the King's Scholars activity days may be used in official publications and University publicity material, including, but not limited to, the University's prospectuses, newsletters, course leaflets, advertisements, website.

I give permission for my King's College London to take photographs/videos of participants whilst on the King's Scholars scheme.

Signature

Text Message consent (KS+)

We will occasionally contact parents/guardians via text message to keep you updated on King’s Scholars, send reminders about upcoming workshops/sessions, and signpost families to resources and activities.

I give permission for King’s College London to contact me via text message.

Data Consent

Student data will be stored on a database in accordance with the Data Protection Act 2018 and used to administer participation in the programme. For research and monitoring purposes only, this data may also be shared with the Office for Student, Department for Education, Higher Education Statistics Agency or the University and Colleges Admissions Service (UCAS) and our partners including colleges, Higher Education Access Tracker service subscribers, to help evaluate the effectiveness of this activity as part of the government policy to widen participation in higher education and to develop future policy. We may use this information to produce anonymous statistics about the effectiveness of our programmes. For further information about how King’s may process your personal data please visit the KCL privacy statement. Sharing this information will not affect you or your child individually. We will not release data to anyone not detailed above without notifying you and your details will be held on our system for a maximum of 10 years. You have the right to opt out of sharing your data at any time, please contact outreach@kcl.ac.uk or call 0207 848 4989 to do this. Under the Data Protection Act you have the right to a copy of the data held about you by us, for a small fee. If you have any concerns about the use of data for these purposes or would like a copy of the data you have supplied directly to us, requests should be made in writing. By completing this form and agreeing to participation you consent to the details provided above being used in the ways outlined.
