

9<sup>th</sup> October 2023

Dear Parent / Guardian,

As you are aware, as a result of excellent performance in their Art lessons in the last academic year your son/daughter has been selected to take part in **The Worshipful Company of Glaziers' Education Partnership Project on Serious Youth Violence – Education & Reconciliation 2023**.

Students will be working towards a **stained glass design** responding to serious youth violence and the statement 'See Through Our Eyes' inspired by a series of external trips and in school design sessions. The prestigious Reyntiens Glass Studio will then interpret the student's designs into a stained glass artwork to be revealed at a reception event at Southwark Cathedral.

The project involves x4 half day trips outside of school and x3 after school design sessions taking place at Bacon's College. Please see the table below for remaining activities:
