

Dear Parent/Carer,

**Year 12 and 13 Parents' Evening**

**Thursday 11<sup>th</sup> December 2025, 4:00pm-6:pm**

I am writing to invite you to attend our upcoming Parents' Evening for your child. This is an important opportunity for you to meet your child's subject teachers, discuss their progress, and understand what they need to do to achieve their best moving forward.

At this stage in the academic year, it is vital that we work together to ensure your child is on track. Parent's Evening allows us to catch any issues early and put the right support in place so that your child can succeed. Teachers will share feedback on your child's strengths and areas for improvement, and we encourage you to ask questions about how they can make further progress.

**The role of home support**

Your involvement makes a significant difference to your child's success. Sixth Form Study is a big step up from GCSE and students need support to help that make that transition. Encouraging good study habits, checking homework completion, and maintaining regular communication with us can help your child stay focused and motivated. Even small actions – such as creating a quiet space for study or discussing their goals – can have a big impact on achievement.

If you are unable to attend, please email **Mrs Mazwi** at [bianca.mazwi@baconcollege.co.uk](mailto:bianca.mazwi@baconcollege.co.uk) to arrange a follow-up discussion.

If you or your child would like further advice regarding next steps after sixth form, please contact **Helen Watson** at [helen.watson@baconcollege.co.uk](mailto:helen.watson@baconcollege.co.uk) to book an appointment (online or in person).
