#### A week in the life of Year 9

Dear Parents, Carers and Guardians,

Season's Greetings! I know it feels like the New Year was a while ago and that we are already halfway through the month of January, however I'd like us to take a minute to remind ourselves and our students of this opportunity of a fresh start and to look forward to what the rest of the year has to bring us.

Since returning, some students have completed their final mid-term assessments and others are receiving their results, whatever the case may be, I would like for students and parents to take on board the fact that in every situation, there is an opportunity to grow, regardless of mark received – good / bad or indifferent.

Students need to have faith that their lives have purpose and we need to remind them that tomorrow is not something to fear, but something to prepare for with confidence and trust in the processes we have put in place for them.

A reminder that **good attendance and full uniform** remain essential for supporting students' learning and progress. Thank you for your continued support in ensuring Year 9 meet these expectations.

Mr Davies

Head of Year 9

## Shout Outs

I am very proud to announce that one of our very own Year 9 Students is currently in the process of applying to become the **Young Mayor of Lewisham!**

The election will take place across Lewisham schools within the borough, however, students who live in Lewisham but attend school outside the borough (Bacon's Students) are still eligible to vote. The election is scheduled to take place on 6 February 2026.

**If we could all support Ehinomen P in the coming weeks by requesting a postal vote by emailing [Katy.brown@lewisham.gov.uk](mailto:Katy.brown@lewisham.gov.uk) in order to cast your ballot.**

### **Pupil charter**

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). Well done to all the students who completed their pupil charter for Year 8. Please check your SMHW for the summer project to get your ready for the Year 9 pupil charter.
