Dear Parent / Guardian,

Thank you so much for the support you have given for your child's participation in the WE SEE YOU stained glass project. As you are aware the project is a partnership between the Worshipful Company of Glaziers and the Clewer Initiative, looking at the issue of modern-day slavery.

Students have had an enriching experience visiting Southwark Cathedral, the V & A and John Reyntiens glass studio. John has been busy behind the scenes creating a glass panel inspired by the student's designs.

I am now able to warmly invite you to a celebration reception to be held at **Southwark Cathedral from 11am – 1pm on Friday 25 November**. Please complete **this consent form** by **Friday 11 November** if you can attend. The event will be an opportunity to hear more about the project, see the student's designs, view the finished panel and have some drinks and nibbles.

Some students will also be speaking at the event which will be attended by a wide range of interested parties including the funders and local councillors. If you are happy for your child to attend could you please complete the attached slip and return to the Art office.

In order to prepare the students for speaking at Southwark Cathedral we will have an additional after school session with an external visitor. Please ensure that your child attends this session. Please see the table below for more details:
