A week in the life of Year 7

Dear parents/guardians,

I hope you and your families are all well.

There has been some great learning taking place over the past couple of weeks and students have started to get involved in wider aspects of the school, including the choir, football club and other sports clubs. Interventions have made a positive start and the instructors have been very impressed with all pupils involved!

We look forward to seeing you all for Year 7 tutor consultation evening on Thursday 16th October.

Please do not hesitate to contact us if you would like our support or assistance.

Kind regards,

Miss O'Leary

Deputy Head of Year 7

Pupil charter

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). The points for the Year 7 Charter are set out below. Year 8 and 9's Charter has also been made available so that students can see the opportunities available to them as they go through Key Stage 3.
