A week in the life of Year 7

Dear parents/guardians,

I hope you and your families are well.

This week we celebrated the students' success over the past half term with Rewards assembly; this time we were able to celebrate some students achieving their Gold award for positive points as well as lots of students completing the Maths Challenge – well done to all those who took part!

The students have been working very hard towards their exams in June and teachers have been providing them with revision materials to support them with their studies over half term.

We hope you all have a restful and enjoyable break.

Please do not hesitate to contact us if you would like our support or assistance.

Kind regards,

Miss O'Leary

Deputy Head of Year 7

Academic Excellence and Homework

- **Excellent work and attitude towards learning**

It has been wonderful to visit lessons and see students engaged and producing excellent work, they should be really proud of the work they are producing and the effort they are putting in.

- **Homework**

Homework Club is available to all students during the Library's opening hours listed below. We encourage students to attend Homework Club or speak with their teachers if they have any questions before their homework deadlines. Heads of Year will be monitoring students' homework completion rates. If a student receives 10 or more homework detentions within a half term, they will be expected to attend Compulsory Homework Club to ensure they receive the support needed to complete their assignments.

Thank you for your continued support in helping your child stay on top of their homework.

Pupil charter

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). The points for the Year 7 Charter are set out below.
