27<sup>th</sup> March 2026

Dear Parents and Carers,

I hope this message finds you well. My name is Ms Miah and I am delighted to introduce myself as the new Head of Year 9. It is a privilege to join this year group at such an important stage in their school journey, and I am genuinely excited to work with our students, families, and staff to ensure a successful and rewarding year ahead.

Year 9 is a pivotal moment for students: they are growing in independence, shaping their identities, and beginning to make decisions that will influence their future pathways. My aim is to support them through these challenges with high expectations, consistent and guidance. I believe firmly in creating an environment where every student feels valued, motivated, and confident in their ability to succeed.

Over the coming weeks, I look forward to getting to know each student and understanding how we can best help them thrive academically, socially, and personally. I will be working closely with tutors and subject teachers to ensure that communication is clear and that any concerns are addressed promptly and effectively.

Please do not hesitate to contact me if you have any questions or if there is anything you feel I should be aware of as we move forward. A strong partnership between home and school is essential, and I am committed to working collaboratively with you to support your child.

I am excited for the remainder of year ahead and all that our Year 9 students will achieve.

Warm regards,

**N. Miah**  
**Head of Year 9**
