A week in the life of Year 7

Dear parents/guardians,

I hope you and your families are all well and have had a restful break over the festive period.

Year 7 are settled back into the routine of school life, and we have been really impressed with their conduct at the start of this term.

Clubs and intervention groups, including Geography club, Science club, and Guitar club have started back up this week and it's been great to see students getting stuck into college life.

Kind regards,

Miss O'Leary

Deputy Head of Year 7

Shout Outs

Well, done to the following students who have stood out to a teacher either from their classwork or behaviour!

I would just like to shout out **Hugo B** for his contributions to the student council. On Friday he made a whole presentation that he shared with his tutor explaining what the SC had done over the previous term. – Ms Agiri

Ivan K, Y7, has shown an exceptional attitude throughout his PE lessons, always arrive on time, ready to learn. He demonstrates excellent sportspersonship, treating staff and peers with respect. On top of that, he goes above and beyond by proactively helping to set up and pack away PE equipment, ensuring the halls are ready for each lesson. His commitment and reliability make a fantastic role model within the PE department. – Ms Pansera

Hiba B consistently brings positive energy and respect to every PE lesson and volleyball lunch clubs. She approaches every lesson with a mindset that lifts the whole group. She models what a teamwork looks like, encouraging her teammates, supporting her opponents and reminding everyone that how you play the game matters as much as the result. It truly makes difference. – Ms Pansera

Pupil charter

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website [here](#) and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view [here](#). The points for the Year 7 Charter are set out below. Year 8 and 9's Charter has also been made available so that students can see the opportunities available to them as they go through Key Stage 3.
