A week in the life of Year 7

Dear parents/guardians,

As we come near the end of our first half term it is a great time to celebrate success and the wonderful achievements of our Year 7s.

There has been lots to be proud of, with successful starts to football seasons, huge numbers in attendance to our wide variety of clubs, and fantastic work produced in all lessons.

We look forward to welcoming you to the previously mentioned Tutor Consultation Evening where you will have a chance to go through the initial reports for our Year 7s with their tutor. Please do refer to the letter sent out for further details.

We thank you for your continued support in making the transition to secondary school smooth and successful and for echoing our high standards and drive for success.

Kind regards,

Mr McGarry
Head of Year 7

Attendance

The graphic above highlights some key statistics linked to attendance.

We know that students who are in school perform better and learn more.

Please support us as we aim for the best possible attendance for every single student at Bacon's College.

Pupil charter

The start of the new academic year sees the launch of the Bacon's Pupil Charter for all year groups. Having been designed with student and staff input, the Charter sets out a core offer of opportunities for Bacon's students throughout their school career. The Charter focusses on developing the personal excellence of our students through opportunities that take place outside of the classroom and works in partnership with an ambitious enrichment offer. The Charter is linked to our well-established rewards system and students will achieve positive points for meeting Charter points. A full link to the Charter can be found on the College website here and an updated offer of enrichment and extra-curricular opportunities will soon also be available to view here.
