

27th January 2023

Dear Parent/carer,

You are likely to be aware from recent media coverage that the National Education Union (NEU) have declared strike action, which will take place on the following date:

- Wednesday 1 February 2023

It is important to note that the strike is happening because of a national dispute between the unions and the government over teacher's pay and conditions of employment, and not because of any issues specifically relating to our school.

We will be moving to remote learning and the school will be closed to the majority of students. If you are receiving this letter, it means your child can attend school, should you wish. These students will be supervised and supported to access the same online learning offer that will be available to all other students who are working from home.

Thank you for your continued support and understanding.

Best wishes,

Ms. Mirza
