Bacon's College ensures that every student is well educated, cared for and exhorted to achieve the academic and personal excellence that will lead to university or skilled work and to a fulfilled life.

'I came to give life, life in all its fullness'

John 10:10

A week in the life of Year 11

Dear Year 11 Parents and Carers,

I am writing to share a short update following the completion of our recent PPEs (mock examinations).

Firstly, I would like to recognise and celebrate the **excellent attitude, behaviour and effort** shown by the vast majority of Year 11 students throughout the exam period. Students approached the PPEs with maturity and focus, and many demonstrated real determination to do their very best. Staff were particularly impressed with the calm and purposeful atmosphere during the exams, and it was clear that students understood the importance of this stage in their preparation for the summer.

From **next week, students will return to their normal timetable** as lessons resume as usual. This marks an important phase as teachers continue to prepare students for the final examinations, addressing key areas for improvement and consolidating learning.

As we return to the normal school routine, **all school expectations will resume from Monday**. In particular, we will be placing a strong emphasis on:

- **Punctuality** – all students are expected to be **in school by 8:15am** and ready for the start of the school day.
- **Uniform** – students must arrive in **full and correct school uniform**, including **blazer, tie and appropriate school shoes**.
- **Attendance and behaviour** – maintaining the high standards we expect as students move into this crucial final term.

Your support in reinforcing these expectations at home is extremely valuable and helps ensure students remain focused and prepared during this important period.

Thank you, as always, for your continued support.

Kind regards,

Shout Out
